

July 9, 2025

Good afternoon. We hope everyone is enjoying Summer.

The Board wants all residents to know that their guests are always welcome at the pool and tennis courts. As a reminder, guests must always be accompanied by a homeowner. Gate codes to the pool and tennis courts, should never be provided to guests/non-residents.

Nichole Brennan, HOA VP of Pool Operations, has requested that we also remind all homeowners that the pool closes at 10 pm each night. Additionally, no pets are permitted in the pool area at any time. She is asking residents to respect the rules, regarding pool guidelines. She is also asking that residents ensure umbrellas are closed as they exit the pool, if they have opened. She has observed umbrellas being left open during the night.

Thanks so much for your attention to these concerns and policies.

Respectfully,

The Bridgewater HOA Board of Directors
