Dear BridgeWater Homeowners and Residents,

Well the children are back in school; this is the first sign that summer is slipping away. Let's enjoy the next few weeks and look forward to fall.

We have a new homeowner in Bridgewater. Please welcome Michael Aromolaran who resides at 725 Eider Down.

The HOA Board and Social Committee are having a neighborhood Pool Party on Sunday, September 14th from 1-4 pm. Lots of food and fun for the kids and adults is planned. Please mark your calendar and plan on attending.

Speaking of the pool, please note that the pool will be officially closed effective October 1, 2025. We ask that residents no longer access the pool area after this date.

The HOA Board has been made aware that some homeowners have provided gate codes to non-residents to access the pool and tennis courts. We respectfully ask that residents refrain from this practice. Giving non-residents the gate codes compromises our efforts at securing these common areas.

We are working with the City of Johns Creek to clean up the area between 3520 and 3555 on Merganser Lane. The City has advised us that this land belongs to five homeowners in The Ridge Subdivision. We share this with you so our residents understand this area is private property and we should not trespass in any way.

We have updated our signage at both the tennis courts and the pool areas. We kindly ask for your compliance with the stated rules when using the BridgeWater recreational facilities.

In October we will begin the process of voting on our Bridgewater HOA Board members. If you are interested in serving on the Board, please submit your name to the Bridgewater email address, so you can be included on the ballot. The Board meets every five to six weeks and the meetings are normally about two hours. The time devoted to various issues and matters is minimal, but the time and results are important to our community.

Hope to see all of you at the Pool Party on September 14th!

Respectfully,

Linda Henderson

President- Bridgewater HOA
