Hope everyone is enjoying Summer and staying as cool as possible. So far pretty hot and humid.

Several residents have complained to the HOA about dog waste being left in their yards. One homeowner has installed a camera to see if the offender can be identified. Once again, we are asking that pet owners do the responsible thing and pick up the waste and dispose properly. In addition, we have also observed where waste is bagged, but then thrown in the common areas.

We did a small landscaping upgrade around the gazebo area. Since it is impossible to grow anything, we have placed gray slate stone in the location. We needed to address this area, as it was really a muddy mess when it rains.

We have had several homeowners ask how to book the Clubhouse. Please note that step by step instructions are located on the Bridgewater website. Go to Bridgewaterjohnscreek.com, Menu, Amenities and Services, Click the down arrow, Click Clubhouse and the instructions follow.

Likewise, with Summer, we have had increased use of the tennis courts. Please know that you must make a reservation to utilize the tennis facilities. Once again, please go to the Bridgewater website, then Menu, Amenities and Services, Click the down arrow, Click Tennis and then Court Reservation.

We will be updating the Community Directory in July. Please review your information and let us know if we need to edit your data, by contacting the Bridgewater email address with the new information.

Have great days as we look ahead to the July 4th Holiday.

Best wishes,

Linda Henderson

President-Bridgewater HOA
