Dear BridgeWater Homeowners and Residents,

Spring has clearly arrived and summer will be here before we know it. With that in mind, be mindful of additional pedestrian traffic around the community and children playing outside. Please abide by the speed limits.

We have verified with the City of Johns Creek that curb repair will be taking place in the calendar year 2026. Crews will be surveying BridgeWater and marking curbs in need of repair. No exact date was provided at this time, but we will be notified by the City when the work will begin.

In addition to the banner at the entrance, we want to acknowledge an additional graduate. Xivaun Shari Williams is graduating from Centennial High School in May 2026.

Medhi Rashidi, HOA VP Social Events, is planning a pool party for the community in July. Details will follow.

Please welcome new residents Michelle and Loren Funk to BridgeWater. They have purchased 3385 Merganser Lane.

On a personal note, I sold my home in BridgeWater on April 30th. I have been asked by the Board to remain President for the time being. The By Laws of BridgeWater allow an elected Board member to complete their term. Since I have moved only 2.5 miles away, I have agreed to continue my role through December 2026. I wanted all homeowners to understand the situation. Please contact us at the Bridgewater email address with any questions.

Best wishes for a wonderful spring and summer.

Linda Henderson
